The case of Brooks against City of Mays-

in consequence. The case will be carried to

STANDS BY POOL

Burley Committee is Optimistic—No Acreage Guarantee—Final Decision in November

The District Board of the Burley Tobacco Society at Lexington decided to stand pat. The pooling campaign of 1910 will be fought out along original lines. After devoting sessions of two days to a discussion of an acreage guarantee, the proposition was finally dismissed. The Board sustained the contract it created last spring by declining to amend it in any way.

When they adjourned Wednesday afternoon members were optimistic in the belief that immediate sale of the 1909 crop, ordered Tuesday, would solve the trouble with the 1910 pool. They believed that old poolers will rally and that the marketing of the tobacco will force the outsider to enlist.

The matter of fixing a day for the poolers to vote this pool on or off was passed up to the next Board.

This was the last meeting of the District Board as now constituted.

Elections of members will be held in all counties of the District next Saturday.

Among the speakers was Miss Alice Lloyd of Mason county.

WOMEN'S WOES.

Maysville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Etta Carson, Front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lumbago. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passages. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I know of other persons who have used Doan's Kidney Pills with satisfactory results.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

'PHONE COMPANY'S DEBT

Must Be Paid By Reorganization Company, Says Appellate Court

In the Court of Appeals Tuesday the suits of the Maysville Telephone Company vs. First National Bank and same vs. Matthews, and same vs. Mitchell, etc., were affirmed.

Under the decision the Maysville Telephone Company must pay to the First National Bank of Maysville and to Walter Matthews and others who organized the company the debts owed to them, according to the judgment of the Mason Circuit Court.

The case is one which involves the reorganization of the Maysville Telephone Company and the organization of the Central Home Telephone Company by E. L. Barber of Ohio. The Maysville Telephone Company was organized by Walter Matthews, Edwin Matthews, S. H. Mitchell and J. W. Chambers, with a capital stock of \$50,000, incurring a debt of \$21,000.

When Barber organized the Central Home Telephone Company, which took over the Maysville Telephone Company, it was agreed to pay the debt of \$21,000 and give to the incorporators of the company bonds valued at \$29,000. Barber failed and then the Maysville Home Telephone Company failed and the creditors of the company sought to collect the \$21,000 from Matthews and others, but the Court says that the Central Home Telephone Company is responsible for the debt.

Messrs. Worthington & Cochran of this city and D. L. Pendleton of Winchester were the attorneys for appellees and Helm Bruce of Louisville and E. J. Marshall of Toledo represented the appellants.

Clergyman's Son Cured of Tuberculosis

To neglect a cold, bronchitis, lung trouble or Consumption is dangerous. We all know how prone people are to deny they have Consumption. It is a flattering disease, and the sufferer is filled with bright hopes of improvement. Call consumption by its own dread name—and then—take Eckman's Alternative, because it is effective in Tuberculosis. No one need doubt about it—there is plenty of evidence from live witnesses. Investigate the following:—

Amelia, N. Y.
Gentlemen: "Prior to Feb., 1908, I was located in Rochester, N. Y., suffering with LaGrippe which developed into Tuberculosis. My physician gave me one month to live. I was having terrible night sweats and mid-day chills and losing flesh rapidly, having gone from 155 to 135 lbs. I coughed and raised continually and became so weak that walking a few feet exhausted me. On my return home, my regular physician gave me little encouragement. My father, who is a clergyman, heard of Eckman's Alternative and induced me to take it. The night sweats and chills disappeared, my cough became easier and gradually diminished and in a few days I developed an appetite, the first in months. I am now in perfect health, back to 155 lbs. I feel certain that I owe my life to Eckman's Alternative."

E. H. COWLES, (Signed)
Gentlemen: "I cannot find words to express my appreciation of what your remedy has done for my son. It changed despair into hope within two weeks after he began taking it, and without any doubt in my mind, it saved his life. I wish to add my endorsement to every word of his testimony."
(Signed) J. A. COWLES, Pastor Presbyterian Church, Astoria, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for free trial evidence. For sale by all drug druggists and J. James Wood & Son in Maysville.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM... pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.
